

The Vault at Artel

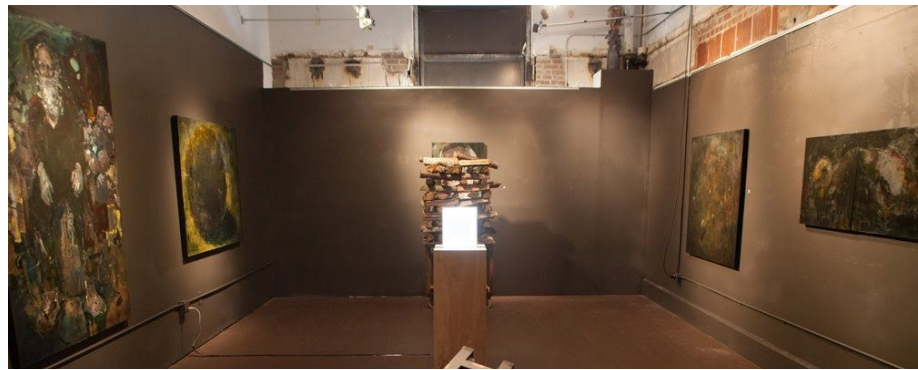

31' x 17' (527 Sq Ft)
Exhibition Space

We are looking for quality, innovative exhibits which exemplify Artel's mission of bringing experimental contemporary artwork to the community. This opportunity is available for all members of Artel Gallery.

Exhibitions should push the limits of contemporary art and bring a vision that is truly bold, provocative and/or unconventional.

We are looking for exhibitions with professional execution and presentation.

Commercial viability of the work is not a requisite for consideration, but works can be for sale with a 20% gallery commission going to Artel.

Criteria and Guidelines for Proposals:

- Artists may submit one proposal for a non-refundable application fee of \$25.
- In selecting exhibits we will use criteria including overall artistic quality, competency of execution, strength of cohesive vision, and innovation.
- Works will not be limited to any medium. While traditional artistic media are certainly welcome, we encourage experimentation with all media.
- Individual or **Collaborative** submissions (two or more artists) are welcomed. However, we are not looking for individual works presented in a group exhibit but rather an active collaborative effort in creating a cohesive vision by two or more artists.
- Work should be recent and may only include up to two works previously exhibited at Artel.
- A fee of \$75 will be charged to all accepted exhibitors. This fee is due before set-up.

The attached proposal request form with required attachments of photo examples of works must be submitted to the Exhibition Director at Artel Gallery.

Proposals will be considered on a case by case basis to determine the acceptability for exhibition in The Vault. We may request additional information before final determination. Exhibits will be scheduled with the artist(s) to coordinate with Artel Gallery's annual show schedule so that vault artist receptions can be simultaneous with those of Artel exhibits. Artel will publicize the exhibits with our regularly scheduled publicity.
